About Us

Triple S Infotech Pvt Ltd is a respected player in the IT distribution arena, led by industry veteran Manav Sharma. With more than 23 years of invaluable experience, Manav Sharma has been at the forefront of the company's growth and success. His profound knowledge and expertise have shaped Triple S Infotech into a channel-oriented and value-added distributor, specializing in various IT segments and services.

Our journey started with a vision to bridge the gap between technology providers and businesses. Over the years, we have evolved into a reliable link in the IT ecosystem, committed to delivering excellence, innovation, and exceptional customer support. As a channel-oriented distributor, we understand the intricate needs of our partners and clients, and we have tailored our services accordingly.

Our commitment to delivering cutting-edge IT solutions is at the core of our identity. We have curated a comprehensive suite of high-quality products and services to meet the diverse requirements of our channel partners and clients. With a passionate team, a legacy of success, and a vision for excellence, Triple S Infotech aspires to be the preferred IT distribution partner for businesses looking for exceptional value and unwavering support.

Mission

At Triple S Infotech, our mission is to be the premier IT distribution partner for businesses seeking innovative and efficient solutions. We are committed to delivering a comprehensive range of high-quality products and services to meet the diverse needs of our clients and channel partners. Our mission is underpinned by a strong commitment to building enduring relationships and ensuring the success of our customers.

Vision

Our vision is to lead the way in the IT distribution sector, offering the most reliable and advanced technology solutions. We aim to expand our product portfolio, staying at the forefront of technology trends. Triple S Infotech envisions a future where we are synonymous with excellence, reliability, and transformative technology for our clients and partners

Why Choose Us ?

Our Commitment

Our core identity is defined by unwavering commitment, unparalleled service, and a vision for excellence. We are committed to delivering high-quality products and services that cater to the diverse needs of our channel partners and clients. With a dedicated team, a wealth of experience, and a commitment to innovation, we aspire to be the preferred IT distribution partner for businesses seeking exceptional value and support. Triple S Infotech is more than just a distributor; we are a dependable partner on your journey to digital transformation.
